## ABOUT ME

Product Designer with **4 years** of experience driving **end-to-end product design** - from user research and high-fidelity design through developer handoff and Post-handoff Design Review - across **AI-powered SaaS, B2B, D2C, e-Commerce** and **Marketing** on **Web** and **Mobile**. Delivered **35+ projects across 18+ domains** including **complex consumer apps** and **internal operational tools**. Equally comfortable **Owning a Product Solo** and **Collaborating within Larger Teams**. **Promoted twice** in under 4 years for consistent ownership and delivery. I am eager to channel this experience into helping an ambitious company scale its impact while continuing to grow together.

## WORK EXPERIENCE

### UX DESIGNER

**Swivel Tech Pvt Ltd, Australia** | Project Based Company | March 2023 - April 2026 ( 3 yrs )

- Designed for **consumer apps** and **internal operational tools** which were in **multiple complex, unrelated domains simultaneously.**
- **Delivered 28+ projects across 15+ domains**, including AI-powered SaaS, HRTech, Healthcare, LegalTech, E-commerce, Recruitment, Lead Management, Marketing and SportsTech while **maintaining delivery speed and design quality.**
- **Owned End-to-End Product Design** : User Research, User Journey Mapping, Design Systems, Interactive Prototypes, High-fidelity Design, Usability Testing, Developer Handoff and Post-Handoff Review across **Web, Mobile.**
- Built and maintained a **scalable, token-driven Design System of 48 components from scratch** with components, variables and auto layout, **adopted across 4 Swivel products**, cutting design-to-development handoff time by **40%**.
- Integrated **AI workflows** into the design process, improving team collaboration and prototyping efficiency.
- **Collaborated with Product Managers, Developers, Test Engineers, Stakeholders, and Marketing teams** to deliver UI/UX, branding assets, campaign materials, and social media content - maintaining usability and brand consistency throughout.

### UI/UX ENGINEER

**Akvasoft Pvt Ltd, Sri Lanka** | Serving Global Clients | March 2022 - March 2023 ( 1 yr )

- Built interactive **Shopify product recommendation quizzes**, blending UI/UX with front-end development while adapting quickly to **diverse e-commerce contexts**.
- Conducted **user research** and **analyzed findings** to identify UX opportunities, improving product experiences and supporting user product discovery.
- Created **customer-centric e-Commerce customer journeys** and translated requirements into brand and product story.
- Designed wireframes, interactive prototypes in **Figma** and contributed to custom front-end styling in **HTML, CSS, and Shopify Liquid and improving product discovery, personalization, and user engagement.**
- **Collaborated with Developers, Test Engineers, Project Managers and Clients** to ensure seamless implementation, design consistency, and high-quality experiences across multiple Shopify stores.

### TRAINEE SOFTWARE ENGINEER

**Inova Labs Pvt Ltd, Sri Lanka** | July 2020 - January 2021 ( 6m )

- Completed a **Front-End Development internship**, building responsive interfaces with **React, Bootstrap, and Ant Design**, and applying **UI/UX principles** in implementation while collaborating closely with the dev team.

## KEY PROJECTS

- RubiRecruit - AI-powered Recruiting Platform : **Sole Designer** | **End-to-End Ownership** | Streamlined an 8-step evaluation flow to 4, redesigned the UI, and delivered 2 new role-based portals plus a Chrome extension
- Swivel Corporate Websites & Marketing Pages - Marketing : Team Contribution | 4 sub-brands, 5 service lines | Restructured information architecture for **higher conversion**
- Kartclass - SportsTech : Team Contribution | **Conversational AI interface** | 24/7 AI coach spanning 6 advice categories
- Shopify Product Recommendation Quizzes - E-Commerce : **Sole Designer** | Design through front-end build | **Conversion-focused** quiz flows for 5+ consumer brands
