WORK EXPERIENCE

UX DESIGNER | March 2023 - April 2026 (3 yrs)
Swivel Tech Pvt Ltd, Colombo 03, Sri Lanka

- Promoted from Associate UX Designer based on consistent performance, ownership, and positive contributions to team outcomes recognized during annual KPI evaluations.
- Led end-to-end product design across HRTech, LegalTech, Recruitment, AI-powered SaaS, Lead Management, Healthcare, Marketing, and E-commerce domains, covering discovery, user research, UX strategy, prototyping, high-fidelity design, usability testing, and developer handoff for web, mobile, and AI-powered platforms.
- Conducted user research, workflow analysis, and usability testing to uncover user needs and pain points, translating insights into intuitive, user-centered solutions that aligned business goals with user expectations.
- Built and maintained a scalable design system adopted across multiple products, improving design consistency, streamlining design-to-development collaboration, and accelerating UI delivery.
- Collaborated closely with product managers, developers, stakeholders, and marketing teams to deliver digital products, branding assets, campaign materials, presentations, social media content, and marketing collateral while maintaining usability and brand consistency.
- Drove product outcomes by simplifying complex workflows, improving user experiences, establishing scalable design foundations, and enabling faster delivery across multiple business-critical products.

- Delivered key product initiatives including:
 - Sole Designer (End-to-end responsibility from discovery to developer handoff):** Wills Australia (LegalTech platform), RubiRecruit Add-on & Portal (Recruitment workflow platform), HRIA (AI-powered HR assistant), LeadFlow Caller App & Admin Dashboard (AI-assisted lead management platform).
 - Collaborative Projects:** Swivel Design System, Swivel Corporate Websites & Marketing Pages, Kartclass Apex Chat Assistant (SportsTech), and Venda Marketing Landing Page.

UI/UX ENGINEER | March 2022 - March 2023 (1 yr)
Akvasoft Pvt Ltd, Galle, Sri Lanka

- Promoted from Associate UI/UX Engineer within 3 months in recognition of strong performance, adaptability, and ability to take on increased responsibilities.
- Designed and developed interactive product recommendation quizzes and Shopify theme experiences, improving product discovery, personalization, and user engagement across e-commerce platforms.
- Created UI designs in Figma and implemented them using AskWhai (Visual Quiz Builder), enhancing experiences through custom front-end styling (HTML, CSS, Shopify Liquid) and responsive design principles.
- Delivered user-centered experiences across Food & Beverage, Furniture & Home Furnishings, Beauty & Personal Care, Home & Interior Design, Fashion & Apparel, and Agriculture domains.
- Collaborated closely with developers to ensure seamless implementation, design consistency, and high-quality user experiences across multiple Shopify stores.
- Designed Key Shopify quiz experiences for brands including Plum Deluxe, RoomLift, Noteworthy Scents, Sweat & Milk and Dora Larsen, aligning solutions with brand identity and supporting personalized customer journeys.

TRAINEE SOFTWARE ENGINEER | 2020 July - 2021 January (6m)
Inova Labs Pvt Ltd, Sri Lanka

- Completed a 6-month Front-End Development internship, contributing to real-world projects.
- Collaborated with the development team and adapted quickly in a fast-paced environment.
- Gained hands-on experience with React, Bootstrap, and Ant Design for building responsive interfaces.
- Applied UI/UX design principles in front-end implementation.

EDUCATION

B.SC. (HONS) IN INFORMATION TECHNOLOGY & MANAGEMENT
Faculty of Information Technology
University of Moratuwa, Sri Lanka - 2017 - 2022

Completed final-year research as part of a 3-member team on Enhancing User Experience with Upgraded Web Usability Testing Tool, focusing on improving usability evaluation methods and user interaction.
